Re: United States v. Natalie Mayflower Sours Edwards
19-cr-00064 (GHW)

Dear Judge Woods:

After consultation with the government, I write to correct an error I made in my sentencing submission for Dr. Sours Edwards. I represented that Exhibit KKK is a letter from Dr. Edwards' doctor to the Court. The exhibit in fact is Dr. Edwards' description of her medical conditions, diagnoses and treatment. She advises me that she prepared the letter in response to a request for the information from Pretrial Services and her prior counsel. I incorrectly believed that it was a letter from Dr. Edwards' treating physician. I apologize for the error.

In addition, I filed Exhibit JJJ under seal. On further reflection and following discussions with the government, I believe that the exhibit should be filed in redacted form. A copy of the redacted version is attached hereto.

Respectfully submitted,

_____/s_____
Stephanie Carvlin

Her current situation has impacted greatly on every aspect of her life including personal, family, occupation, financial, social, and physical functioning.
